A statement from Senator Shawn Gumataotao on the signing of Bill 10-38 (COR) into law today by the Governor of Guam:

“This is an exciting day for Guam’s public safety and law enforcement personnel and their families. I want to thank my colleagues of the Guam Legislature for seeing the importance of Bill 10-38 to the men and women who serve and protect our island community. I want to thank Governor Lou Leon Guerrero for signing the measure into law which is in line with her ongoing commitment to recruiting and retaining more Guam law enforcement officers. It remains my hope that the Government of Guam will never have to issue one death benefit authorized under this new law. We will be prepared to support the families of our public safety and law enforcement officers if and when that fateful moment comes.”
