

REPUBLICAN PARTY OF GUAM

MEDIA STATEMENT

FOR IMMEDIATE RELEASE

April 2, 2025

The Republican Party of Guam issues the following statement on the passing of Former Senator of the Guam Legislature Robert Klitzkie:

"The Republican Party of Guam joins the community in mourning the passing of two-term Senator Robert Klitzkie. An outspoken advocate for education and government reform, Senator Klitzkie was a conservative voice for common sense policy both in the 27th and 28th Guam Legislatures and outside of it as a longtime talk radio host and political commentator.

Most recently, our friend Bob Co-Chaired our Party's Platform Committee crafting the "Contract with Guam, USA" adopted by the Republican Party of Guam on March 16, 2024 and ratified by our 19 District Leaders on May 16, 2024.

A US Marine Corps Veteran and attorney, Bob's dedication to Guam and the Nation will not be forgotten.

Our condolences to his wife Lou and the rest of his family."
