Governor Calvo's legacy is one of tireless dedication to the people of Guam, with his leadership grounded in a deep sense of humility and commitment to the prosperity of our island.

As Guam's third elected governor, the Administration of Paul M. Calvo was marked by significant economic reforms and a focus on building a strong future for the people of Guam to include the founding of the Guam National Guard in 1981.

Governor Calvo was a mentor, a pillar of strength, and a source of inspiration for many within our Party. Our thoughts and prayers are with the Calvo Family during this difficult time.”
