*“Senator Thomas J. Fisher is not a registered member of the Republican Party of Guam. Despite numerous attempts over the past year by his colleagues, the Executive Committee, District Leaders and Party Members encouraging him to join the State Party, Senator Fisher has chosen not to join. The Party stands in full support of all of its member candidates for public office in the 2024 Guam General Election. The role of the Republican Party of Guam, in cooperation with our members and our 19 District Organizations, is to elect a formidable and cohesive Republican Majority in the Guam Legislature.”*
